Electronic Check Recovery

BENEFITS

- No Monthly or Annual Fees
- No Setup Fee
- No Equipment to Lease or Purchase
- 100% of Collected Check Amount Returned
- Our Services are Paid by the Bad Check Writer
- No Cost to you!

Electronic Check Recovery (ECR) is the best way to collect your returned checks! It saves you time and money, while increasing your collection percentage as well as your cash flow.

There are no setup fees, recovery fees normally are covered by the Returned Check Fee assessed to the check writer's account. Even collecting out of state checks isn't a problem.

Successful businesses dedicate their time to increasing their revenues, not worrying about collecting on past sales.

Don't waste any more time or money trying to collect returned checks. Try NSF Pursuit's FREE NSF Check Collection Service!
